

## Cosumnes Subbasin SGMA Working Group Stakeholder Survey

*The Cosumnes Subbasin SGMA Working Group (Working Group) is conducting this survey to understand more about beneficial users and uses of groundwater as well as other parties interested in groundwater management (“stakeholders”) in the Cosumnes Subbasin. Any answers provided to these questions will help support the development of a more accurate, fair, and useful Groundwater Sustainability Plan (GSP) for the Cosumnes Subbasin. The information disclosed in this form will be kept confidential to the extent required by law.*

Please mark the approximate location of your land, home, business, well(s), and/or areas of study/interest with a dark-colored X on the map below of the Cosumnes Subbasin:

Stakeholder Type (check all that apply):

- |   |   |
|---|---|
| <input type="checkbox"/> Agricultural Groundwater User          | <input type="checkbox"/> Surface Water User                               |
| <input type="checkbox"/> Domestic Well Owner/User               | <input type="checkbox"/> Federal Government                               |
| <input type="checkbox"/> Municipal Well Operator                | <input type="checkbox"/> Native American Tribe                            |
| <input type="checkbox"/> Commercial/Industrial Groundwater User | <input type="checkbox"/> Disadvantaged Community Resident or Organization |
| <input type="checkbox"/> Public Water System                    | <input type="checkbox"/> City Resident                                    |
| <input type="checkbox"/> Local Land Use Planning Agency         | <input type="checkbox"/> Groundwater Monitoring Entity                    |
| <input type="checkbox"/> Environmental User                     |   |

## Cosumnes Subbasin SGMA Working Group Stakeholder Survey

### Questions:

1. Are you familiar with the Sustainable Groundwater Management Act (SGMA) regulations?
  
2. Are you currently engaged in activities or discussions regarding groundwater management in this region?
  
3. Do you own or manage land in this region? If so, what is the current land use and are you planning any future change in land or water use in the next 20 years?
  
4. Where do you get your water supply?

<input type="checkbox"/> City or Community Water System	<input type="checkbox"/> Both Groundwater and Surface Water
<input type="checkbox"/> Surface Water	<input type="checkbox"/> Unknown
<input type="checkbox"/> Groundwater	
  
5. What is your primary interest in land and/or water resources management?
  
  
6. (For agricultural and domestic well owners/users): Are you willing to share the following data with the Working Group to support GSP development?<sup>1</sup> (check all that apply). Please provide as much information as you can on the attached data request forms.

<input type="checkbox"/> Location	<input type="checkbox"/> Pumping test report(s)
<input type="checkbox"/> Total Depth	<input type="checkbox"/> Water level data
<input type="checkbox"/> Screened Interval	<input type="checkbox"/> Water quality data
<input type="checkbox"/> Reference Point Elevation	<input type="checkbox"/> Other: _____
<input type="checkbox"/> Well Completion Report(s)	
  
7. (For agricultural and domestic well owners/users): Have any of your supply wells ever gone dry or otherwise been affected by declining water levels? If so, which wells and when?

---

<sup>1</sup> Documents and data can be sent to the [Cosumnes SGMA Working Group](#) at [JMLowrie@waterforum.org](mailto:JMLowrie@waterforum.org) or to [John Lowrie](#) at [Water Forum, 1330 21st Street Suite 103, Sacramento, CA 95811](#)

Cosumnes Subbasin SGMA Working Group  
Stakeholder Survey

8. Do you have concerns about groundwater management? If so, what are they?

9. Do you have recommendations that you would like the Working Group to consider while developing a GSP? If so, what are they?

10. Through which medium(s) do you currently receive SGMA updates, public meeting notices, etc.?

- |                                      |  |
|--------------------------------------|--|
| <input type="checkbox"/> Email       | <input type="checkbox"/> Social Media              |
| <input type="checkbox"/> Paper Mail  | <input type="checkbox"/> Website                   |
| <input type="checkbox"/> Direct Call | <input type="checkbox"/> Radio                     |
| <input type="checkbox"/> Newspaper   | <input type="checkbox"/> Public workshops/meetings |
| <input type="checkbox"/> Other _____ |  |

11. Through which medium(s) would you prefer to receive SGMA updates, public meeting notices, etc.?

- |                                      |  |
|--------------------------------------|--|
| <input type="checkbox"/> Email       | <input type="checkbox"/> Social Media              |
| <input type="checkbox"/> Paper Mail  | <input type="checkbox"/> Website                   |
| <input type="checkbox"/> Direct Call | <input type="checkbox"/> Radio                     |
| <input type="checkbox"/> Newspaper   | <input type="checkbox"/> Public workshops/meetings |
| <input type="checkbox"/> Other _____ |  |

12. If you prefer getting your information from public workshops and/or meetings, what times of day and locations work best for you?

13. Do you know who your GSA is? How can your GSA help you stay aware and provide input into groundwater sustainability discussions?
