

Webinar Agenda

Cosumnes Subbasin Working Group + Technical Advisory Committee

Monday, November 19, 2018, 10:00-11:30 am

Link to join: join.me/651-596-821

Call in: 267-930-4000 | **Access:** 447819369#

1. Welcome and Intros (10 minutes)

- Includes overview of GSP development schedule, tasks and upcoming milestones

2. Stakeholder Survey Package (15 minutes)

- Review approach to and timing for GSA's distributing and collecting surveys (EKI)
- Identify any additional next steps

3. Criteria for Ranking Potential GSP Models (40 minutes)

- Review and discuss GSA online ranking of draft criteria (EKI)
- Confirm criteria and, as appropriate, weighting for EKI to use when evaluating GSP models
- Identify additional information needed, if any, to support Working Group discussion of GSP model at December meeting

4. Data Management System (DMS) (25 minutes)

- introduce Data Management System needs; provides overview of DMS options (EKI)
- Seek Working Group feedback on DMS preferences, additional information needs
- Assess need for additional consideration at December meeting

5. Adjourn
