If Calling in: 1 669 900 6833; Meeting ID: 930 5991 8864

Agenda

Welcome, Introductions and Meeting Overview – 5 minutes

- Welcome and Zoom Protocols
- Agenda Review and Surface Water Advisory Group (SWAG) Discussion Protocols

Topic 1: Responses to SWAG Feedback from SWAG #2 – 10-15 minutes

- Highlight GSA responses to SWAG feedback from Meeting #2

Topic 2: Groundwater Dependent Ecosystems – 30-45 minutes

- Share planned approach to identifying and verifying GDE's in the Cosumnes Subbasin; requesting support in gaining access for field verification

Topic 3: Update on Sustainable Management Criteria for Interconnected Surface Waters – 45 minutes (includes break)

- Update SWAG on Working Group's proposed sustainable management criteria for interconnected surface water; seek SWAG input on Undesirable Results related to interconnected surface waters

Topic 4: Historical Water Budget Update – 20 minutes

- Provide overview of historical water budget analysis conducted by EKI; opportunity for SWAG questions and comments

Topic 5: Projects and Management Actions – 30-40 minutes

- Provide overview of Working Group's most recent thinking related to projects and management actions; seek SWAG feedback on proposed P&MA and elicit additional ideas

Next Steps – 5 minutes

- Actions items
- Opportunity to provide ongoing feedback
- Next SWAG meeting and focus
