Re: Draft Survey Tool – Cosumnes Subbasin Outreach Activity Tracker

As part of the SGMA process, it is important for each GSA and the subbasin as a whole to track and demonstrate its outreach activity. Below is a first cut at a survey tool GSAs can use to track their respective outreach activities during the Plan development phase. Please take a few minutes to review this prior to the October 17 Working Group and come prepared to provide suggested revisions.

.....

Draft Survey Tool – Cosumnes Subbasin Outreach Activity Tracker
Draft v.10.12.18

Select GSAs involved in outreach activity:

- Amador County
- City of Galt
