

Cosumnes Subbasin Working Group
*****Monthly Updates – January 2022*****

Below are brief updates related to SGMA implementation in the Cosumnes Subbasin. To keep Working Group conversations focused on GSP development, we are not planning to cover all this material during the January 19, 2022, Working Group meeting. However, if there is a topic below that you believe merits discussion with the full Working Group, please let us know and we will do our best to work it into the agenda.

- ***Cosumnes Subbasin GSP.*** As of January 12, 2022, all seven GSAs have adopted the Cosumnes Subbasin GSP.
- ***Cosumnes Groundwater Authority (CGA) JPA.*** The CGA met for the second time on December 20, 2021. Specific updates will be shared at the Working Group meeting. Until the CGA has an independent website, meeting notices and materials will be posted on the Working Group website. The next CGA meeting will be Friday, January 21 at 9:00am (rescheduled from Monday, January 17 due to the MLK Day).
- ***Existing Grants.*** Sacramento County is working with the CA DWR on an Encroachment Permit for installing a Prop 68 monitoring well.
- ***DWR Updates.*** Please see the additional handout for updates from the Department of Water Resources
- ***Final WG Meeting.*** January 19, 2022 marks the final Working Group meeting. Going forward, the Cosumnes Groundwater Authority (CGA) will oversee implementation of the Cosumnes Groundwater Sustainability Plan (GSP)
