

# Cosumnes Working Group Meeting November 4, 2021

## Meeting Brief

The Cosumnes Working Group (WG) held a special meeting on November 4, 2021 focused on progress and planning for reviewing comments on the Cosumnes Subbasin Draft Groundwater Sustainability Plan (GSP) and incorporating revisions in preparation to finalize the GSP.

Items discussed at the Working Group meeting included:

### GSP Preparation and Submission

- Three-month look-ahead
- Comments received to date on the draft GSP
- Timeline/process to continue discussion of GSP comments

### Cosumnes Long-Term Governance and Implementation

- Update on GSAs' adoption of JPA and any related document(s)
- Update on recruiting and contracting for Year One Annual Report

### Other Items

- Outreach & Engagement
- General Updates
- Next Working Group Meeting – November 17, 2021

## GSP-Related Decisions

- The Working Group approved for the technical consultant EKI to move forward per edits identified during the Working Group discussion and language the PMA Subcommittee will provide (with Working Group review/approval)

## Action Items

Topic	Who	What
GDEs	EKI	Add language to the Draft GSP regarding GDEs -- underscoring that the GSAs recognize the importance of GDEs and their intention to maintain focus on GDEs as part of implementing the GSP going forward
	Barbara and EKI	Connect to review GDE descriptions in the draft GSP
Projects	Barbara	Forward to EKI the possible projects proposed by the Cosumnes Coalition
	Austin and Barbara	Connect to discuss additional PMA language per the Working Group's discussion
	Working Group	Send EKI potential projects to include in the draft GSP

## DRAFT Meeting Brief

Draft GSP	EKI (coordinating w/ subcommittees)	Send to the Working Group a more comprehensive table of comments on the Draft GSP and the proposed responses
	Working Group	Review the table and be prepared to share concerns at the upcoming Working Group meeting (with a request to notify CBI ahead of time to help manage meeting time).  (Goal for the next Working Group meeting is to outline a clear pathway for final GSP revisions. EKI can then finalize the GSP for the Working Group's consideration at the December meeting (where the Working Group will consider recommending the GSAs adopt the final GSP.)
