

Cosumnes Working Group Meeting December 8, 2021

Meeting Brief

The December 8th Cosumnes Working Group (WG) meeting focused on progress and planning for finalizing the Cosumnes Subbasin Draft Groundwater Sustainability Plan (GSP) and transition into GSP implementation. (Note: the meeting had been rescheduled; there was no Working Group meeting on December 15.)

Items discussed at the Working Group meeting included:

GSP Preparation and Submission

- Three-month look-ahead
- Finalizing the Cosumnes GSP
- Prop. 68 updates
- GSA hearing dates

Cosumnes GSP Implementation

- Update on Cosumnes Groundwater Authority (CGA) initial meeting (Nov 29)
- Transition from Working Group process to CGA

Other Items

- General updates
- Next Working Group Meeting – January 19, 2022 (location TBD)

GSP-Related Decisions

- The Working Group approved recommending their respective GSAs adopt the Final Cosumnes Subbasin Groundwater Sustainability Plan and prepare for submission to CA DWR by January 31, 2022.
- Working Group confirmed that, per GSP adoption and submission to the State, the January 19, 2022 will be the final Cosumnes Subbasin Working Group meeting. The newly formed Cosumnes Groundwater Authority will oversee GSP implementation.

GSA's in Attendance

- Amador County
- Galt Irrigation District
- Sacramento County
- Omochumne-Hartnell Water District
- Clay Water District
- Sloughouse Resource Conservation District

Action Items

Topic	Who	What
Final GSP	CBI	Confirm GSA Board dates to consider adopting the Final GSP <ul style="list-style-type: none"> • Clay WD - Dec 14 • Galt ID - Dec 14 • Sac County - Dec 14 • City of Galt - Dec 21 (confirmed) • OHWD - Dec 21 • SRCD - Jan 12 • Amador - Jan 13 (most likely)
	CBI	Connect with Mike Selling and Mark Clarkson to confirm Ci of Galt GSA public hearing date to consider adopting the Final GSP

DRAFT Meeting Brief

Website	Austin & Stephen	Coordinate with Water Forum and CBI regarding website migration (to retain the important historical work completed during GSP development and make them easily accessible, particularly for the public review periods and others reviewing GSPs going forward)
	CBI	Work with EKI to consolidate EKI technical presentations for easy-access posting on the website [View document]
	CBI	Update the website with the Final GSP and announcements as appropriate
Working Group Meeting	CBI	Poll the WG to consider interest/concerns with meeting in person for the final WG meeting on January 19
