

# Cosumnes Working Group Meeting July 21, 2021

## Meeting Brief

The July 21 Cosumnes Working Group (WG) focused on reviewing updates to GSP content (water budget updates and Sustainable Management Criteria), confirming steps for releasing the Public Draft GSP in August, and associated public outreach and engagement.

### GSP-Related Decisions

- No formal decisions. Working Group confirmed and offered guidance on outreach approaches, specifically regarding upcoming public workshops and receiving comments on the Public Draft GSP

Items discussed at the Working Group meeting included:

#### **GSP Technical Work Progress and Planning**

- Three-month look-ahead
- GSP Review Draft

#### **Outreach and Engagement Committee Update**

- Preparation for upcoming public workshops
- Other O&E updates (Communication & Engagement Plan update; revisions to Cosumnes website)

#### **Long-Term Governance Committee Update**

- GSAs' fee program updates
- Governance discussions for forming an administrative entity to support Cosumnes Subbasin GSP implementation.
- Next Working Group Meeting – August 18, 2021

## GSA's in Attendance

|---|---|
| <ul style="list-style-type: none"> <li>• Amador County</li> <li>• Sacramento County</li> <li>• Clay Water District</li> <li>• City of Galt</li> </ul> | <ul style="list-style-type: none"> <li>• Galt Irrigation District</li> <li>• Omochumne-Hartnell Water District</li> <li>• Sloughhouse Resource Conservation District</li> </ul> |
|---|---|

## Action Items

Topic	Who	What
<b>Cosumnes GSP</b>	GSAs	By close-of-business July 21, send EKI final comments/edits on the GSP Administrative Draft. Identify issues that may warrant further discussion for the Ad Hoc Committee to address
	Ad Hoc Committee	As warranted, discuss issues meriting additional conversation (e.g., well impact program, Harvest Water data benefits, etc.) – Develop recommendations for Working Group discussion.
	EKI	Incorporate comments on the GSP Admin Draft and prepare the Public Review Draft (expected to be released soon after the Aug 18 WG meeting subject to WG approval)

## DRAFT Meeting Brief

	EKI	Update/create table that helps identify potential storage benefits from PMAs and connection to expected inflows and outflows.
<b>Outreach &amp; Engagement</b>	Stephen Julian and Austin Miller	Follow up with T. Espinosa to confirm accurate mailing address to receive future mailings.
	CBI	Coordinate w/ Stephen and Austin to set up a framework for receiving public comments on the GSP (provide multiple mechanisms other than via website or email).
	Long-Term Governance	At a future date, discuss next steps for Citizens Advisory Committee formation
<b>Monitoring</b>	GSAs	As applicable, continue efforts to finalize CEQA analysis for proposed monitoring well sites
