

# Cosumnes Working Group Meeting September 15, 2021

## Meeting Brief

The September 15 Cosumnes Working Group (WG) focused on reviewing draft governance documents, progress and planning for reviewing comments on the Cosumnes Subbasin Draft Groundwater Sustainability Plan (GSP), and incorporating revisions in preparation to finalize the GSP.

Items discussed at the Working Group meeting included:

### **Cosumnes Long-Term Governance and GSP Implementation**

- Discuss draft governance documents (Joint Powers Authority [JPA] and addendums)

### **GSP Preparation and Submission**

- Three-month look-ahead
- Timeline for GSP notices, hearings, and adoption
- Comments received to date on the draft GSP
- Timeline for finalizing the GSP and potentially schedule additional special meetings

### **Other Items**

- September 17 public workshops reminder
- Next Working Group Meeting – October 6, 2021 (Special Meeting)

## GSP-Related Decisions

- No formal decisions. The Working Group provided guidance to the Long-Term Governance Committee on revisions to draft governance documents.
- Working Group supports evolving the Long-Term Governance Committee into an implementation committee (specifics such as member composition are TBD).
